

HEARING AID SUPPORT

We can provide information, support and advice to help you get the most from your hearing aid. We can also show you how to retube your hearing aid or support you to do this.

We issue life tubes which we can post out to you and we also issue batteries if you are not able to collect them from your local GP surgery.*

We run three drop in clinics on a monthly basis at the following locations:

1st Thursday of every month, from 10:30am - 12:30pm
The Olney Centre, High Street, Olney, MK46 4EF

1st Friday of every month, from 2:00pm - 4:00pm
Stony Stratford Community Church,
Cofferidge Close, Stony Stratford, MK11 1BY

2nd Friday of every month, from 2:00pm - 4:00pm
West Bletchley Council, 221 Whaddon Way, Bletchley, MK3 7DZ

Alternatively, you can visit the Resource Centre; please contact us for an appointment.

*We ask that you recycle batteries using the bags provided by the Council.
