

# SNAP Parent Carer Forum - for Central Bedfordshire parent carers of children & young people with Special Educational Needs &/or Disabilities (SEND) aged 0-25 years

SNAP PCF works with education, health, social care and other organisations to help influence, develop and improve local services to ensure they meet the needs of all disabled children and their families locally.

We deliver free training for parent carers, hold an annual conference, monthly coffee mornings and parent panels for our members.

To find out more and to see our events calendar to see what is happening locally and complete a membership form just visit:
